We Are

a mark above the rest. With pride and dignity we can look back over the past year and smile at all of the memories. The 1984-'85 school year was definitely a year to remember — doing "the wave" at pep rallies, running onto the field after the game for the school song, yelling your lungs out in our comeback in the final minute of the Odessa High game, trying to lose 5 pounds before Friday night so you can get your Levi 501's buttoned, racing across the parking lot screaming to your best friend that Mr. Right finally asked you out, wondering who will be the next person in school to show up with multi-colored hair, dodging bulldozers and avoiding the hard-hat areas while rushing madly to class to be on time, researching for what seemed like eternity on Nathaniel Hawthorne, falling asleep during boring lectures or just staring at the clock which never seems to move, worrying whether you'll be spending this Friday night watching reruns of "Dallas" or having the time of your life with the date of your dreams, practicing 'til the sun goes down or 'til "Mad Dog" yells that ya' done good!, getting up at the crack of dawn to march in a cloud of dust, working hard and giving your all to make Cooper High the standard of excellence that it is today. WE ARE THE COUGARS. WE ARE THE BEST.

SENIOR CLASS OFFICERS

The 1984-85 school year arrived and with it came a new Senior Class. It was the first graduation class to bear horrors placed upon us by H. Ross Perot and House bill 72. This unfortunately cancelled many traditional Senior activities. Construction on campus also made life at Cooper even more difficult. But the class of 85 rose above, and again left a lasting imprint on the Student Body at Cooper High School. The 1984-85 Senior Class officers were Patricia Ho-President; Rachel Chrane-Vice President; Carol Lewis-Treasurer; Laura Bechtel-Corresponding Secretary; Chandra Scott-Recording Secretary.

BOARD OF TRUSTEES

Board of Trustees, standing left to right, Mr. Richard Styles, Dr. B.B. Trotter, Mr. H.A. Middlebrooks, Mr. Bobby Campbell. Sitting, Mrs. Iris Nash, Mr. O. Henry Young, and Mrs. Jan Lawrence.

Dr. Wayne Blevins

The Board of Trustees of the Abilene Independent School District is composed of seven members including: President, O. Henry (Mike) Young, Jr.; Mrs. Iris Nash; Vice President, Mrs. Jan Lawrence; Secretary, members Bobby Campbell, H.A. (Ham) Middlebrooks, Richard M. (Rick) Styles and Dr. B.B. Trotter.

The Trustees have the exclusive power to manage and govern the public schools of Abilene. The Trustees may adopt such rules, regulations and bylaws as they may seem proper. Members meet twice each month and are elected to a six year term.

Dr. Wayne Blevins is employed by the Board of Trustees as Superintendent of the Abilene Independent School District. The Superintendent serves as chief executive officer for the School District, and is responsible for the management and operation of the AISD within the policies adopted by the Board of Trustees.

PRINCIPAL

Lynn Mendenhall, the principal at Cooper, is surely qualified for his job. After spending ten years at Cooper teaching, five years at Madison Jr. High, and three years at Abilene High as associate principal, and one year as principal at Lincoln, he is enjoying his challenging role at Cooper.

When asked how he wanted people to remember him, he replied "I want the student body to remember each other, that's what is important." Mr. Mendenhall's main concern is that the faculty of Cooper provide a good learning environment, and to make learning enjoyable.

Mr. Mendenhall is such a friendly person.

SECRETARIES

The secretaries here at Cooper have a very special job. They take time in helping each day run smoothly and efficiently. They do the best job possible to make everything turn out as it should.

In the general office, three secretaries work where the books and files are kept. Kathryn Williams is the Registrar, while Gayle Taylor is the Assistant Registrar. The bookkeeper is Madie Newman.

In the attendance office, Nadine Kute, Attendance Clerk, and her assistant, Vickie Button, serve many students coming in and out all day. They sign permits for students to enter and leave class for various appointments. These secretaries also check on students who are

Assisting Mr. Mendenhall as a secretary is Mrs. Dorothy Goff. She keeps records of his appointments as well as assorted clerical duties. In the counseling office, Natha Kidd helps the three counselors.

HEALTH & P.E.

Mrs. Middleton exclaims, "What did I do with that pencil?"

The Health and Physical Education Department not only works to develop the body to its fullest potential, but it also strives to arouse in each student an appreciation of the importance of good health for zestful living - today and tomorrow.

Divided into two areas, the Physical Education classes develop efficient teamwork through physical fitness, sportsmanship and knowledge of many different sports in classes such as Teamsports, Recreational Games, Racket Sports Conditioning and Figure Control, Weight Training, Gymnastics, Life Time Sports, and Adaptive Physical Education. The other area of P. E. is Outdoor Education that encompasses classroom work culminated in an extensive field trip or overnight camp-out.

In the Health Education classes, the students have a chance to learn all about themselves. The areas of study recognize the total self-physical, emotional, mental, and social facets of one's personality.

Another class taught in the HPE Department is Skills For Living, designed to teach the students to become "terrific" in their journey straight to the top. The ultra- positive class endeavors to discipline Cougars in areas of academic and social excellence.

MATHEMATICS

The future mathematics needs of today's Cooper students are diverse. To meet these needs, the C.H.S. mathematics department provides a wide variety of class offerings and employs various teaching techniques.

A strong college preparatory program is offered. This program includes a rapidly growing computer mathematics division. Basic math skills are also taught, with much of the instruction utilizing laboratory computers and teaching machines. The MOCE Program affords students an opportunity to study banking, finance, insurance, and personal money management. Extra-curricular opportunities are available through participation in UIL math meets and the Math-Science Seminar. A tutor program offers students individualized assistance both before and after regular school hours.

"The 1984 season marked a continuation of a commitment to excellence when defensive coordinator Mike Garrison was elevated to the position of Head Football Coach in March of 1984.

With only nine lettermen returning, the '84 Cougars opened the season with an upset of the state-ranked Brownwood Lions, 17-0. This victory would show the Cougars would be very team orientated, aggressive and for the upcoming season. The next week, the Wichita Falls Coyotes were shocked by the Cougars, 42-10. The offense and defense continued to improve and people began to take notice of the Cougars. The final pre-season game was against the powerful Temple Wildcats, who survived a scare by the Cougars to edge out a 28-14 victory. Gaining confidence from the loss, the Cougars headed into district realizing they had the potential to play with anybody.

District 4-5A was proving to be as tough as anticipated as three teams were ranked in the states' top ten. The Cougars opened the district race with a thrilling 24-21 victory over Odessa High. The game was highlighted by a 78 yard drive in the last minute of the game with the Cougars scoring the winning touchdown coming with six seconds left in the game. The powerful Midland Lee Rebels were next and after a hard-fought game the Cougars fell 28-7. Seeking revenge for an 1983 loss, the Cougars fell, 52-0 as the offense displayed awesome power and the defense recorded their second shut-out of the season. The number one ranked Permian Panthers were the next opponent on the schedule and escaped with a closely played 27-9 victory.

Homecoming was a success as the Cougars defeated the Midland Bulldogs, 24-19 in the mud at Shotwell Stadium. The Cougars jumped out to an early lead and were able to withstand a furious

rally to highlight the Homecoming week-end.

The powerful San Angelo Bobcats ended any possible play-off hopes the Cougars had with a wild 62-30 victory on a damp night in Abilene. Unable to capitalize on early scoring opportunities the season ended with a 23-0 loss to Abilene High.

The 1984 Cougars proved to be the surprise team of the "Little Southwest Conference." Returning nine lettermen from 1983, the Cougars were given very little chance of winning, and in most pre-season polls were picked to finish last in the district. The Cougars by displaying a great attitude, effort, and team concept and senior leadership were able to finish 5-5 and 4th in the district.

Receiving post-season honors were the following players: Doug Hadley-All-District QB, Chris Cromley as All-District receiver, Scott Anderson as All-District kicker and Honorable Mention Tight end, L.V. Robinson as Honorable Mention Lineman, D.C. McDonald as Honorable Mention receiver, Jay Tollison as Honorable Mention Running back, Mike Hood as Honorable Mention defensive back, and David Newman, who was All-District Defensive Lineman and Co-defensive player of the year.

The 1984 Cooper Cougars football team would like to thank their many supporters, the band, Cougarettes, Cougars Pride, Cheerleaders and Siren Squad, the faculty, Administration and student body who made 1984 a successful year and encouraged their backing in their quest for "More than 5 in '85."

The Cougar Varsity Volleyball team did an outstanding job this year making it to bi-district playoffs. The team faced many changes this year. Not only did they have a new coach to get used to, but a new offense and defense as well. But the Cougars were adaptable and they reached their goal of being the best in the fore. That attitude paid off. The Coogs can boast one more winning season to their credit with a 20-9 overall record and a 10-4 district record. Like the song says "honor and pride, we will not fall!"

I've heard of walking on water, Richard Joy, but isn't a headstand just too much?

Could Paul Priestner be the man from Atlantis?

Playgirl centerfold Matt Scroggs.

The 1984-85 Boy's swim team finished the season placing 4-3 in duals. The team lost three seniors last year but gained some new sophomores and juniors that have added depth to the swim team. Some of those that should be recognized are Mike Gill and Richard Joy who are sophomores, and also Chris Froeschner who is a junior. With the help of a strong medley relay team, the guy's swim team should expect a strong invitational season this year.

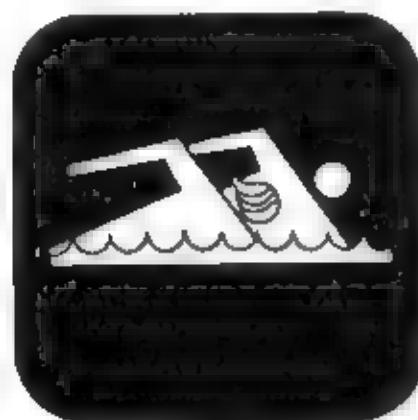

GIRL'S SWIMMING

Back row (L to R): Christi Keane, Rhonda Wallace, Kim Rogers, Stacy Catalina, Nicole Slater, Mary Leher, Penny Mullin, and Sherri Williams. Front row (L to R) Leslie Moore, Pam Pizzorno, Michele Larivere, Lisa Drummond, Lara Mallon, and Cindy Shields.

Lisa Drummond and Jeff Schaffer are saying, "Yes, we're kinky and we love it."

The 1984-85 girls' swim team finished the dual season undefeated. This is a great beginning that will hopefully pave the way to a district championship for them. Losing two good seniors this year has not caused any setbacks for the girls team as shown by the fact that this years' girls' medley relay team already has broken the winning time of last years' relay team. Along with this accomplishment, the girls' swim team has produced some outstanding girls who have helped make the team stronger. The girls are Leslie Moore and Kim Rogers. The team is expecting a strong invitational season and the prospects for winning are great!

Would you say Rhonda is excited? Boy, I would be embarrassed if I were her

Our Track captains for 1985 are Glenn Petty, D.C. McDonald and Charles Corbin. Glenn has lettered in track the last two years in the Pole Vault. 1985 should be Glenn's best year and hopefully make it to regional this his senior year.

D.C. is only a junior this year. He lettered last year in the sprints. He starts the sprint relay off and runs as well as any-

body in the state at that position. The best part about D.C. is that he will be back next year.

Charles Corbin is a new comer to the track world this year. He has shown good ability in the middle distance races.

With this leadership the 1985 track squad and coaches are looking forward to a great season.

The Girl's Cross Country team had only one returning letterman, Amparo Palomo, placed in the top fifteen in every meet she participated in this year. The Girl's Cross Country team is in a rebuilding stage having eight sophomores competing and only three upper classmen. Only three girls competed in District competition. Injuries kept several of the others from competing at the District meet. Each of the girls improved their times throughout the season. Coach Kittley has several girls returning next year and several new prospects.

The sport of cross country demands a special athlete. He must be very dedicated and have good work habits. To excel in cross country an athlete must train year round. During the winter months the athlete must be able to adjust to changing conditions.

A cross-country team is comprised of seven members with the best five finishers determining the team score. In competition the team with the lowest score wins the meet. A perfect score would be to finish 1st, 2nd, 3rd, 4th, and 5th and receive a score of fifteen.

The 1984 cross-country team is fairly young and we'll almost will have everyone returning in 1985. The entire team is looking forward to 1985 with great hope and anticipation.

They participated in many activities, including a workshop in August, the Booster Club Drive, drawing weekly locker boosters, decorating players rooms and yards, and in general, doing anything they could do to help promote school spirit.

At the pep rallies and the games, one would have to admit that they were the loudest group in attendance. They were led by President-Lauren Street, and Squad Captains-Louise Scarborough, Laurie Perry, Lisa Mabry, Cherrisse Yungblut, Debbie Baucum, and Gable Brooks.

THE QUEEN

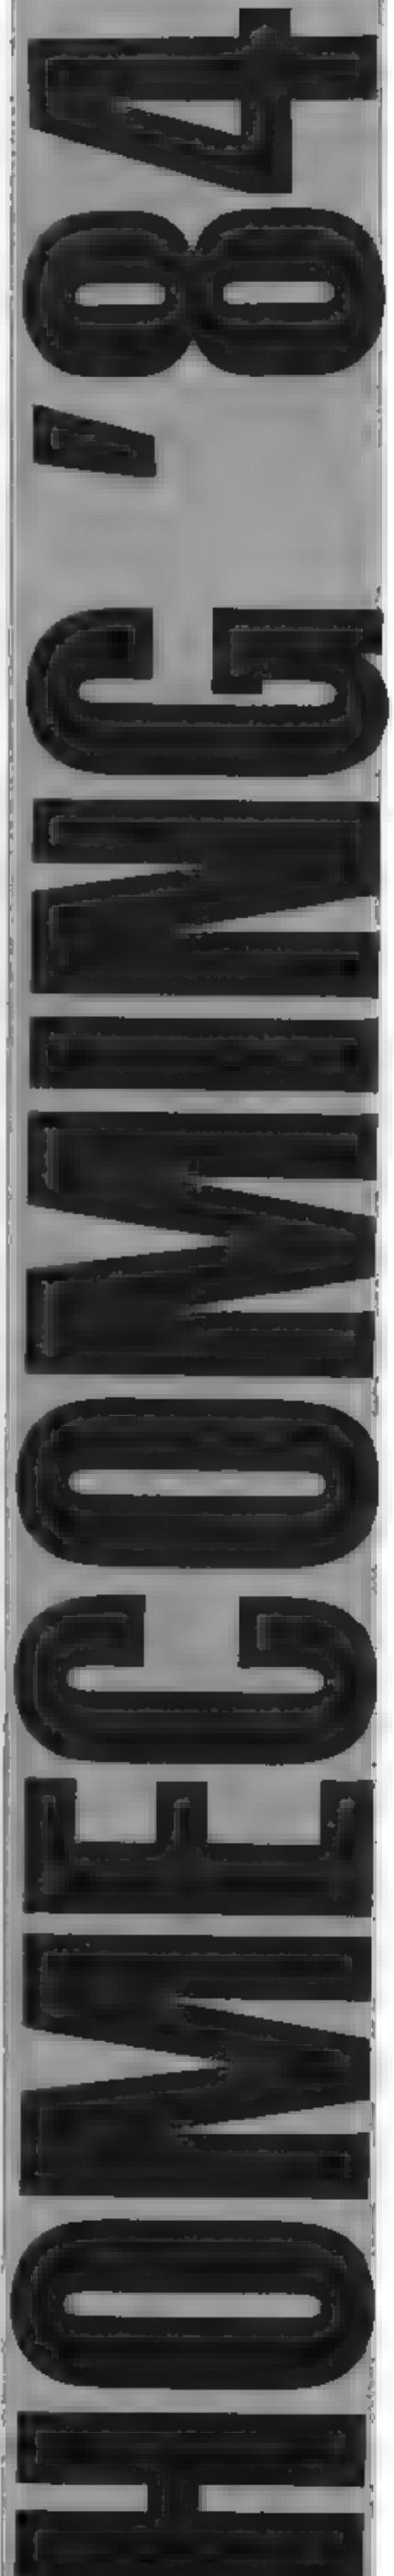

LAUREN STREET

A hush fell over the stadium as the Homecoming ceremonies began. The candidates were introduced, along with the Cominghome Queen for 1984, Janet Franks. Then the important announcement was made. The Homecoming Queen for 1984 was Lauren Street!

Lauren was an excellent choice for Homecoming Queen as she is quite involved in activities at Cooper. Lauren holds the office of Vice-President of the Cooper Student Council, she is the President of Cougar's Pride, and she is the treasurer of National Honor Society. Lauren is also an associate editor on the Talisman staff and acts as a bat girl for the baseball team.

Lauren is pictured above, accompanied by her father, Larry Street.

The purpose of the Cooper Chapter of the National Honor Society is to encourage students to exhibit scholarship, service, leadership, character, and citizenship. Students are selected for membership by the faculty on the basis of grades and citizenship. The National Honor Society requires members to uphold high standards throughout the year.

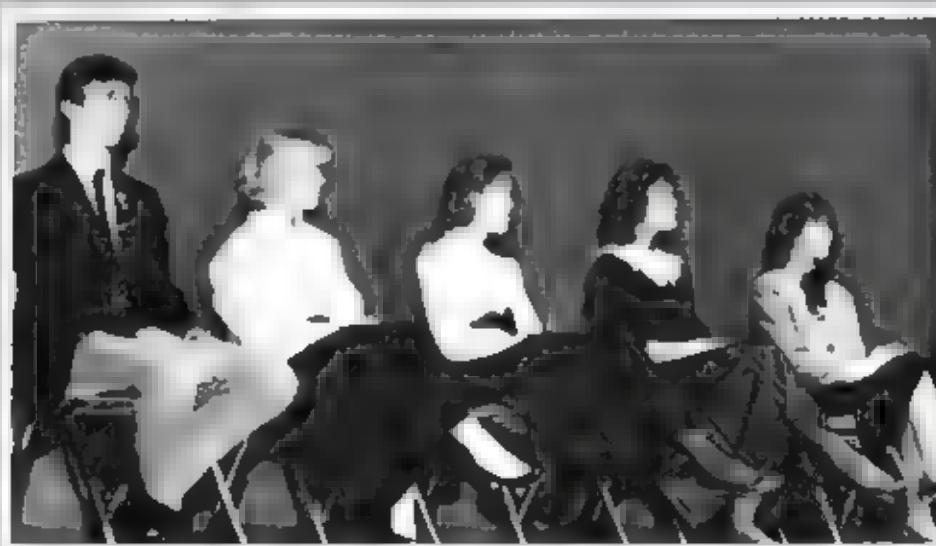

The 1984-85 year began with a small but close group-a mere ten members. However, with the Fall Induction this soon changed. Thirty-one members were inducted and the group continued to grow in number with the Spring Induction. Other activities for NHJ members included serving as hosts for College Night, sponsoring the Valentine Post Office, helping with activity cards, and various social events.

The Original Ten: Paul Woodfin, Mike Dulin, Bryan Kahl, Marion McWilliams, Deidra Elledge, Susan Stubbeman, Gail Davidson, Leisa King, Angie Clonts, and Lauren Street, not pictured.

The Auto Body Program at Cooper High School is designed to teach the basic principles of auto body repair. The program is open to any sophomore, junior, or senior student in the Abilene ISD. Students from both Cooper and Abilene High are presently enrolled in the program. This year they are working as a production shop. As of December 1, 1984 the students have completed 44 units. This means that they have repaired and repainted 44 automobiles. Hopefully when the seniors in the program graduate they will be able to continue work in the auto body field being employed in the many auto body repair shops in this area. You are invited to come by and visit with them and see how their shop program operates.

The sponsor of Auto Body is Mr. Reford Schmittou. 1984-1985 officers: President — James Tomlin; Vice-President — Miguel Miramontez; Secretary/Treasurer — Dawn Rabas.

FFA is a nationally affiliated organization consisting of students who are interested in farming, ranching, or agribusiness careers. The members are required to take a vocational agriculture course and their goals are to achieve a greater knowledge of agricultural advancement, development of character, and becoming outstanding citizens of the future. They learned about showing and judging good livestock by participating in several stock shows. Vocational Agriculture Cooperative is also taught. Cooper students are placed at an agriculture related job for $\frac{1}{2}$ a day and attend school for the other portion of the day. Members enjoy a picnic each year prepared by the teachers. The money for the picnic was raised this year by selling sausage, peanuts, and turkeys.

tion and strength of this organization. A unique feature of Key Club is that it is run by the Key Clubbers themselves; the adults are there to advise and counsel only. The club members develop programs, organize projects, run meetings, and take the initiative to serve.

The 1984- 1985 Key Club had a very busy and successful year. Leading the club through this busy year was Sponsor- Russell Barrett, President- Gail Davidson, Vice-President Tonia Cook, Secretary- Angie Clonts, Treasurer- Patricia Ho. Some of the activities the Key Club was involved with this year were helping with the Rehab Telethon, selling mums during Homecoming, selling M&M's to raise money and contributing to Project Concern. Project Concern is an organization which provides food and clothing for the starving people in poorer countries. Christmas time was a very busy time for the club. They collected toys for Goodfellows, sang carols for Happy Haven Nursing Home, and bought a Christmas tree and ornaments for an underprivileged family here in Abilene.

The Cooper High School Latin Club is an organization composed of Latin students from all three levels. It is the Cooper Chapter of the Texas State Junior Classical League. One of the money raising projects this year was a slave auction. The auction is a fun way to raise money. The second and third year Latin students buy the first year students and they "own" them for one weekend to do various jobs as wash cars, and rake leaves. It is all done for fun.

The Latin Club sponsor is Miss Rose Williams. The officers this year were Susan Stubbeman and Sheryl Boykin.

Thanks to Student Council representatives and the sponsors, Mrs. Ann Wood and Mr. Mike Newton, the student body and the faculty, many improvements and additions have been made.

The Student Council sponsored many activities to encourage school spirit. This year, instead of selling spirit links, Student Council had money jars. Student Council also gave away prizes to the students that had no absences at the end of each month, in order to support the new residentee policy.

The dedication of our Student Council officers has made this year very successful and exciting.

To Everyone.

We think all would agree that it's been one tough year. With all of the Legislation changes and changes around campus, it has been really hard to smile about anything which concerns school. We truly hope things change now, we hope the 1985 *Talisman* shows you that the year wasn't as bad as we made it out to be, and we hope that it brings back memories of all of the good times.

We couldn't have done it without our fabulous staff. Thanks so much for your creativity and your patience with us when we couldn't answer your questions — especially 3rd period for doing an excellent job without our assistance. Mr. Holladay and Mrs. Knight, thanks for your love, guidance, and support, but most of all for believing in us. And Mr. Vaughn, if you ever read this, words can't express our gratitude to you. Thanks for putting up with us when we asked really stupid questions and for changing the cover, how many times?! You always went out of your way for us (like doing lay outs on the first deadline) we owe you everything!

Being editors definitely hasn't been easy, but it's made our Senior year a very special one. We hope everyone is as proud of the book as we are.

M.M.
D.E
T.T

Well, it's over. All the tears, fears, and frustrations have finally paid off. Thank you, Teena and Deidra, for being more than just "co-editors" but for being *true friends*. Thanks for tolerating my childish tears and my skepticism and pessimistic attitude about everything. Ya'll are the greatest! Mr. Holladay, I could probably fill the entire yearbook with my thanks to you. Thank you for your patience and understanding and for never once bringing up the deadline that we missed, and thank you for sharing so much with me, your Fritos, your immense wisdom, and most of all your love — I'll never forget you! Mrs. Knight, J.P., and E.M., what can I say? We couldn't have done it without you, literally! Also, J.P., you're the one who made this spring delivery possible, thanks for always keeping that smile on your face despite all the pressure we put on you. S.P. and L.F., thank you tremendously for helping with the index, and M.S., thanks for allowing us to have a yearbook with pictures in it! Thanks to my teachers and friends who understood when I put *Talisman* first. To the staff, thanks for pulling together and producing the greatest book that Cooper will ever see. Ya'll are super!! Most of all, thanks to my family who stood by me through this and were patient, loving, and understanding when I took out my frustrations on them. Thanks especially to you Mom for practically doing the index, for helping me count ballots, for keeping supper warm, and for always having my bed already turned down. I love you!

On all those nights before deadlines, I thought I'd never be saying this, but, "I'd do it again in a minute if I had the chance!"

M.M.

Being an Editor has been an experience I will never forget. I would first like to thank the most wonderful sponsors in this whole, wide world — Mr. Holladay and Mrs. Knight. I look up to them so much, and without their encouragement and leadership, I could not have made it through this year. I love you both!! To the best staff ever for doing such a wonderful job and for putting up with us during the "ever dreadful deadline times." We could not have made the 1985 *Talisman* what it is without all of your hard work and support. I especially want my parents to know how much I appreciated them being there during the hard times and for helping me survive this. Finally — my thanks goes especially to Teena and Marion, my Co-editors, sidekicks, and two of the best friends I could ever ask for. Of course, the extra hours and hard work will never be forgotten, but, more importantly, ya'll are so special and the yearbook we worked so hard on will be a precious memory I will always treasure. I love ya'll!

D.E. (El-ledge)

First of all, I want to say that it was all worth it. I want to thank Deidra and Marion, my very good friends, for putting up with me when I was on a rampage. Thanks to Mr. Holladay for trusting us so much and for Mrs. Knight and her business staff for making this book possible. A special thanks to my parents and A.G. for their patience and for always being there for me. Thanks S.C. for keeping a smile on our faces even through the very roughest of times and for always making conversations "different." Anyone who knows me knows that I must thank Taco Bueno for helping me survive and giving me the energy to make it through those 2:00 A.M. deadlines!! Speaking of deadlines, I must thank J.P. for helping us meet that horrible "missed deadline;" thanks for your dedication and all your hard work — you did a fabulous job! Of course I thank K.G. and L.F. and the rest of the "D.O.O.L." crew for all of the exciting lunches and to the wonderful actress K.P. for her *unusual* impressions and re-enactments of our favorite soap scenes!

HA HA! H. Ross Perot, we've done it in spite of you! WE'RE NOT GONNA TAKE IT ANYMORE!

T.T.

It's hard to believe, people actually look like that. It's funny, it's sad, it's repulsive, it's America. And *only* in America do we experience the true feeling of what a "free education" should be. And in this system of excellerated learning, we encounter many people and make some great lifelong friends. With teachers like Mr. Holladay and Mrs. Knight to help us along, we are exposed to a vast field of experience and are better people because of it. A great thanks goes out to M.M. for her great support and help. And if that were not enough, and by God don't you think it should be, thanks to everyone involved with the book, and may we all live long and prosper.

JP/CWBG

To Mary who stayed calm in every situation and even slept at times I love you! To Holly who stayed calm and put up with me being lost. To Shawn who would make my being lost seem okay. You girls were the best to work with and I wish we could do it again. Good job! I love you, Mr. Holladay for every year wanting to keep us and guiding us and for loving us back. I sure will miss 3rd period. I hope by now that the editors-in-chief have regained their sanity. Thanks to Lamic who put up with my tantrums at the times everything piled up. Everyone deserves a great big pat on the back for conceiving, carrying, laboring, and birthing the best baby yearbook Cooper will ever see!!

Kristina Lynn Anastasia Velasquez

This year's staff is the hardest working staff I've seen working on the *Talisman*. The faculty section went very smoothly thanks to the hard work of the staff members. Amy Smith and Ginger See worked hard to make this year's faculty section one of the best ever. Thanks also to Leray. I couldn't have made it without your support. Someone had to be there when I collapsed at the end of the deadline!!

Ange

Thank God we met the deadline! To the Sports staff — you did a very good job on your pages and I hope those of you who will be back next year now know how to make a yearbook. S.C. — thanks for doing a good job and letting us dump a lot of the responsibility on you. To the editors — thanks for allowing me to ask the dumbest questions known to man and answering them as best you could. Thanks to Mr. Holladay for sharing your wisdom three periods a day. Thanks for allowing us relief in World Lit. when we all really needed it. I would also like to thank my mother and father for having me. HAI

Paul Woodfin

To Everyone:

First, I would like to thank three of the greatest women on the face of the Earth, our editors, Teena, Deidra, and Marion. To Stephanie, your a lifesaver and the rest of the sports staff who so wonderfully tolerated me this year — Thanks! I would especially like to thank the World Lit. "Parkies," though we might not physically make our pilgrimage, we'll be there in spirit. Finally, to next year's World Lit. and *Talisman* staff, I would like them to take care of Mr. "Alas, he's mad!" Holladay, the inspiration for this great yearbook.

B.P.

Many thanks to the club section — D.D., B.Z., L.F., D.S., C.C., S.T., K.P., K.G., L.W. — for all of their many hours of hard work. A very special thanks to Mr. Holladay and Mrs. Knight for their guidance and support in putting together a yearbook that will be treasured forever. It's been a ball working with such a great staff. This has been a chance to learn a lot and to make some wonderful friends. Thanks to everyone!

L.S. AND B.O.

Thanks S.T. for all your help. Stacie, I won't tell Mr. Holladay we skipped all the time if you won't. Thanks to all my staff for putting up with me in my time's ludicrous. Thanks J.P. and E.M. for making 7th entertaining. May we all remember B.B. for his first impression and his famous quote, "Hey Dude, let's PARTY!!"

Associate Editor- S.M.P.

Just a minute Mr. Holladay, I'm gonna be tardy again. Those construction fences around campus and the overcrowded halls really slow me down. There, I've finally made it (only four minutes late.) Time to get to work. To Ginger and Amy, the Faculty staff, you did good. I appreciate your hard work and efforts put out on my behalf. Angela, I couldn't have asked for anyone better to edit the faculty section with. Thank you. Thanks to Mrs. Knight for everything you've done for the editorial staff. Well, Mr. Holladay, these past three years have been so meaningful to me. I can't even begin to thank you enough for all you've done to help me through the bad times, good times and even the so-so times. You've been like a father to me. Thank you.

J. Leray Scifres

We've worked hard all year long,
But now we're finally through.
Though we're tired, it's been fun,
So here's the *Talisman* for you!

Dear Seniors:

How far can medicine take you?
Anywhere you want to go!

No other field includes such a limitless variety of career opportunities as does the medical profession. There's room for new doctors, nurses, therapists, lab assistants, technicians, clerical workers, dietary specialists...and the list goes on.

Right now, we'd like to let you know about our facility at Highway 83-84 at Antilley Road. This extraordinary state-of-the-art facility is a full-service hospital, which offers many different career opportunities. Maybe one of them is for you.

Think about it. And in the meantime, please accept our warm congratulations on your upcoming graduation and our best wishes for your future.

Sincerely yours,

David M. Collins

Executive Director

Congratulations, Class of 1985.

Now you have a decision to make—what career do you wish to pursue? Hendrick Medical Center invites you to consider career choices in the health care field as you survey the choices available to you. Health care is a right of every human being and it takes a large work force to ensure that right. Many opportunities are available in this field, some requiring years of formal education while others require as little as a year of formal training. Doctors, nurses, technicians, therapists are all needed, as well as a small army of support personnel. The opportunities are many, there for your discovery.

We've Cared for Generations.
